Special Redevelopment Agency Meeting

City Manager, Wayne Pyle, discussed a proposed Resolution which would authorize the execution of an incentive agreement with Green River Capital, LC, which was on the Agenda for a Special Redevelopment Agency Meeting scheduled for April 13, 2010.

Upon direction of the City Manager, Mr. Mark Nord, CED Department, used PowerPoint and discussed information summarized as follows:

- Overview of Green River Capital, LC
- Looking to locate headquarters on property located at 2196 S. Decker Lake Drive
- Financial activities as a percentage of employment base in West Valley City
- Incentive proposal recommended by CED staff - \$50,000 annual incentive for two years and \$50,000 to be spent on building improvements

The City Manager advised the subject property was not in a redevelopment area but there were funds generated from interest income that could be used for economic development efforts.

The City Manager introduced Cecelia Hahn, Green River, LC and Reina Gould, EDCU (Economic Development Corporation of Utah).

Ms. Hahn addressed the City Council and expressed appreciation for consideration of an incentive. Ms. Hahn stated when they moved to West Valley City from Salt Lake City they had not decided where to make permanent headquarters for a real estate hub. She acknowledged City staff and EDCU for their efforts in facilitating and spearheading the project. City Manager, Wayne Pyle, stated Councilmember Rushton would read the nomination of Courtney Frehner, Justice Court, to receive the Employee of the Month Award for April 2010, at the Regular Council Meeting scheduled April 20, 2010, at 6:30 P.M. Ms. Frehner had been nominated for her high standard of work ethics and going beyond her required job duties.

3. **NEW BUSINESS SCHEDULED APRIL 20, 2010:**

A. **APPLICATION NO. S-1-2010, FILED BY JOHN ERICKSON, REQUESTING FINAL PLAT APPROVAL FOR MULEY POINTE SUBDIVISION LOCATED AT 3860 SOUTH 3600 WEST**

City Manager, Wayne Pyle, discussed Application No. S-1-2010, filed by John Erickson, requesting final plat approval for Muley Pointe Subdivision located at 3860 South 3600 West.

Mr. Pyle stated the request was for a two-lot flag lot subdivision in an 'R-1-8' zone, which property was currently occupied by two single-family dwellings. He further stated the applicant desired to subdivide the property in order to separate the two dwellings by removing the basement dwelling and allowing the flag lot to develop with a new single-family dwelling.

The City Manager explained the property was approximately .67 acres in size which was adequate to be divided. He indicated according to Salt Lake County records, the main dwelling had been constructed in 1912. He stated it was not known when the basement dwelling was added to the site. He indicated the County's information did list a date of 1978 as an "effective" date built which could be when the basement dwelling had been constructed.

Mr. Pyle reported accept to the subdivision would be gained from 3600 West. He also explained, as existing improvements were currently in place, the applicant would not need to open up 3600 West for water and sewer. However, a new curb cut and drive approach would be required for the flag lot.

MINUTES OF COUNCIL STUDY MEETING – APRIL 13, 2010

-4-

City Manager, Wayne Pyle, reiterated the flag lot was intended to be used as a new building lot. He stated that after reviewing the proximity of this lot with the relatively new development to the north, the City Engineering Division would not require a new soils report. He indicated the soils report of the Woodbury Cove Subdivision indicated ground water had not been encountered to a depth of 10 feet which would allow a basement to be constructed on the flag lot.

Steve Lehman, CED Department, further reviewed the Application and answered questions from members of the City Council.

The City Council will consider Application No. S-1-2010 at the Regular Council Meeting scheduled April 20, 2010, at 6:30 P.M.
